Re: MUR 5887
Schwarz for Congress and
Robert Shuler, in his Official Capacity as Treasurer

RECEIVED
FEDERAL ELECTION
COMMISSION
OFFICE OF GENERAL
COUNSEL
2008 JAN -9 A D 42

Dear Mr. Rigsby:

Thank you for taking the time to discuss this matter with me. Based on our discussion, I understand that without an extension of time for submitting material to the General Counsel's Office in connection with this matter, a response would be due on Monday, January 7, 2008. As I indicated, the holidays delayed my obtaining information from representatives of the Schwarz Committee. Although I received various documents yesterday, at this point, I am not even certain that I have everything pertinent to formulating a response.

Under the circumstances, as we discussed, I had originally intended to ask for a one week extension until Monday, January 14, 2008. After talking to a representative of our client, I now believe it is more prudent to request an extension until Wednesday, January 16, 2008.

Neither my client nor I have any interest in delaying the progress of this matter. I am sure you can understand, however, how the holidays interfered with our ability to respond within the period set forth in the letter from Robert Lenhard, Chairman of the Federal Election Commission, to Robert Shuler, Treasurer of the Schwarz for Congress Committee.

Please let me know if the Commission is willing to extend until Wednesday, January 16, 2008, the deadline for responding to Mr. Lenhard's letter.

In the interim, please feel free to contact me.

Very truly yours,
